

What is FTC?

As the only high school theatre student in Florida, FTC can provide a unique and safe venue where you can interact with and observe members of the high school, amateur, college and professional theatre community...all under one roof!

Attending the Conference allows students to move seamlessly from performing a one-act to participating in a multitude of exciting classroom-based workshops, and watching organized, full-scale theatre performances. FTC's High School One-Act Play Festival performance guidelines align with Florida Thespian guidelines, giving your students an excellent performance opportunity prior to District Thespians. Feedback from two FTC Respondents gives you constructive and encouraging advice on strengthening your production. The High School One-Act Play Festival "Rules and Guidelines".

Attending FTC is also a great opportunity to audition for over 50 colleges all at once!! The audition process is open to all Florida junior and senior high school students. There will be representatives from colleges, universities, and conservatories from around the country who attend and are actively recruiting excellent the talent that Florida is known for.

Don't forget about the scholarships available to you as well. Every year, 4 scholarships are handed out for different aspects of theatre. Check out the website for more details!
