

GSHS Thespian Point System

How Points Are Calculated

Before calculating, understand that calculating the points will be done by one of the officers. You are simply entering in what you did and when.

Every year several people assume they will be inducted because they calculated incorrectly or because they "heard" they are getting in. Until the induction letter is in your hands, you are not getting in. Do NOT assume. Induction points must come from work done on the SHS stage. The troupe director reserves the right to deny any student their induction. Poor conduct, attendance or grades are some, but not all, of the reasons for this denial.

.

Induction Requirements

You need a total of **10 points** to be inducted.

- **Performer:** 6 performing points, 2 technical points & 2 fundraising points
- **Technician:** 6 technical points, 2 performance points & 2 fundraising points

Performing Points

- Points you can get from performing in a musical or non-musical full length or one act production. Performing at the Thespys is another way to get some points.
- The points given vary depending on what role you played in that production.

.

Technical Points

- Points you can get from working as a backstage manager or crew member in a musical or non-musical full length or one act production. Presenting in a technical event at the Thespys is another way to get some points.
- The points given vary depending on what backstage role you played in that production
- You can also work during our build days to get a total of **0.25 points per hour** that you work during our build days
- 1 full year theatre or MT class = **1 performing point**. One time in 4 years. This is for technicians only.

.

Fundraising Points

- Points you get from either working an in-person fundraiser or from raising money through our SnapRaise campaign each year
- **SnapRaise Bonus:** Earn 0.5 point if you completely fill out your SnapRaise campaign

Fundraising Events

- Each fundraiser has a QR code. Stay for an hour → 0.5 point
- Just visit → 0.25 point
- Sell 4 poinsettias → 0.5 point
- Parents Night Out volunteer → 1 point

GSHS Thespian Point Values

To be used as a guide, Mrs. Andrianou may override any values
